

# Topic Web – Autumn 2018

## Year 3 & 4

PE:

The children will be learning how to play tag rugby this term. They will also be learning carnival dance linked to the topic of Brazil.

Music:

This term the children will be listening to Baroque music and identifying the instruments they can hear.

Maths: This term the children will be learning about place value, they will then learn about addition and subtraction methods, mental and written. Methods for multiplication and division will be next. They will learn key facts to memory to aid problem solving.

DT:

This term the children will be making a rainforest in a box. They will be constructing 3D structures and applying skills such as scoring and stencil use.

Art:

The children will be developing their sketching skills this term. They will be sketching their very own Greek mythical beasts.

RE:

This term the children will be investigating different sacred places. They will look at what this means for themselves and a variety of religions.

*The Natural World*

*David Attenborough*

Science:

This term the topic for science is animals. They will be classifying animals and using a variety of methods for this. The children will be learning a lot of key vocabulary too, including – vertebrate, amphibians, reptiles, mammals and habitat. This subject will link with our David Attenborough theme.

English:

In English the children will be following the 'Talk4Writing' process to create their own mythical Greek creatures. They will also be introduced to the book 'Journey to the River Sea' which is based in Brazil and linked to their topic of the Natural World.

History:

The children will be learning about Ancient Greece this term. During this topic the children will learn about democracy and take part in class debates. They will also look into the beliefs of Ancient Greeks.

Geography:

The children will be learning about rainforests this term. During this topic the children will be acquiring the key vocabulary linked to this subject, such as: sustainability, bio-diversity and amazon.

Computing:

This term the children will be revising the basic skills required when using a laptop. They will also be acting out practically how the internet works. Finally, the children will cover all aspects of E-Safety, which is vital when using such equipment.
