Sports Relief

Next week 17-23 March is Sports Relief week. Hilltop Junior School will be celebrating by completing a mile every day (approximately 6 laps of the playground). Each child can decide how they want to complete the laps ie., by skipping or running etc. Please ensure your child has their trainers in school.

On Friday 23rd of March we invite the children to dress up in Sports Relief attire eg., red and white sports clothing in return for a £1 voluntary donation to be given to the teacher at registration on Friday. We do hope you will help the children to support this worthy cause and look forward to a fun week of exercise!

Breck Foundation

Thank you to the many parents/carers who attended the e-safety talk from Lorin Lafave, the founder of the Breck Foundation. We hope you found it informative in ensuring that your children stay safe on line. Just to signpost some of the websites that may help you—CEOPS (on line reporting tool), Think U Know (website to help parents regarding e-safety) Common Sense Media and Pegi ratings (rates games as to whether they are suitable) and the Breck Foundation website too. To date we have raised £165.30. It is not too late to donate! Thank you.

Year 3 and 4 Visit the CLC

The children in Years 3 and 4 had a fantastic morning at the CLC on Wednesday and Friday this week where they created art inspired by Piet Mondrian.

During their time at the CLC they also collaborated with children from other Wickford Schools.

Behaviour

The lunchtime detention has been successful. At the beginning of the process, 15 pupils were in attendance and yesterday there was only one. Therefore, due to this success, we will be reverting back to the traffic light system as follows:

if a child is moved to red for their behaviour once, they will be sent to the Head of Year's class; twice will be a phone call home by either the teacher or the child themselves; for a third time there will be an internal exclusion. In addition to this, exemplary behaviour will be rewarded with a gold award. The School Council will be deciding the reward for achieving 5 golds over the next few weeks. We hope you will continue to support this strategy and look forward to celebrating great behaviour across the school.

Adventure Island Tickets

Please find attached an Adventure Island order form. If you would like to order any tickets please complete and return the form with the correct monies in a named envelope to the School Office so that we can pass them on to the HJSA.

Please note that the HJSA require orders in as soon as possible if you wish to use the tickets during the Easter holidays as cheques will need to clear before tickets can be issued.

All details regarding pricing is on the order form.

Snacks

May we remind parents that snacks at break time must be healthy, eg low fat, low sugar and low salt. We do provide a healthy tuck shop where all of the products are nutritionally balanced and contribute to the children having a balanced diet. Crisps are not to be eaten at break time.

Year 6 Easter School

Information regarding the Easter School for Year 6, during the first week of the holiday, will be given out next week.
