Concert in a Day

On Friday, last week, Mrs Simpson was privileged to take a group of musicians to the CLC to take part in a day of making music. The group of boys who attended the day reflected our HEARTS values and were a credit to the school. They enjoyed learning new songs, creating original pieces of music and playing our instruments with other people. By the end of the day, they had created a full concert which was very well received by an appreciative audience of parents. It was an excellent day.

Parking

It is very important to us that children and their families feel safe and happy on their way into and out of school. Can we therefore please remind you that cars should not be parked on the road markings, on bends, across driveways or on pavements. No parents or carers should drive onto the school site unless by prior arrangement with the office staff at the Infant or Junior schools. Thank you for your continued support to keep our school a safe place for everyone.
