School News Update

On Friday, last week, Hilltop Junior School was visited by Rob Briscoe, a representative from the Regional Schools Commissioner. During his visit he toured the school and observed the teaching and learning that was happening. He was very pleased to see the children's engagement in their learning and the improvements made since his last visit in 2015.

Thank you to the many children whose work he looked at and those who spoke to him about their learning. We are very proud of you all.

This week, Mrs Waite and Mr Chapman met to begin planning how both Hilltop Junior School and Hilltop Infants School will be working together. We will be focusing on the Year 2/3 transition and the whole learning journey from Early Years to Year 6. We will, of course, keep you updated.

Sports Hall Athletics

Well done to our Year 5/6 team who attended the Sports Hall Athletics this week. The children took part in a range of activities including relays, soft javelin, jumping and throwing. All of the children represented the school really well and should be very proud of themselves.
