Dear Parents/Carers

As you know from our last Newsletter, we were disappointed to hear that one of our parents threatened and verbally abused an 86 year old neighbour, when she politely asked them to move their car from a private parking area in Hill Avenue.

Unfortunately, yet another neighbour was verbally abused by a grandparent collecting their grandchild from an after school club last night, when he was asked not to park in front of their drive.

Could I please remind parents to park considerately in the surrounding roads and to respect local residents and their property.

The safety of our children is of course, paramount; the parking restrictions in surrounding roads and zig zag lines are in place to protect the safety of everyone. Unsafe parking and threatening behaviour is totally unacceptable and will of course, be reported to the police.

Your co-operation is much appreciated.

Yours sincerely,

Mrs A.J. Waite
Headteacher
